# PROGRAMME GUIDE

## MASTER OF ARTS IN JOURNALISM & MASS COMMUNICATION MA (JMC)

**School of Journalism and New Media Studies**

**Indira Gandhi National Open University**

Maidan Garhi, New Delhi-110068

**Dear Learner,**

Welcome to the academic programme- MA (Journalism & Mass Communication). By enrolling in this programme you have become a student of IGNOU, one of the largest mega Universities in the world. IGNOU offers educational programmes through Open and Distance Learning (ODL) mode. It is quite likely that you are getting this first ever experience as a distance learner. We, as distance teachers may be physically at a distance from you but as far as the teaching- learning activity is concerned we shall always be with you in the form of your material and through other student support services.

To start with, read this 'Programme Guide' thoroughly, keep it handy and refer it as and when you get any doubt about progressing further in this programme. By following this Programme Guide you will be able to manage your programme related activities very easily.

In the course of your journey, you will notice that IGNOU is a university with a difference. Unlike conventional universities/institutions where teaching and learning takes place mostly through face to face mode, IGNOU adopts a multi-media approach to facilitate teaching-learning activities. You will find that the printed self-learning material is the main medium of instruction which is supplemented with audio and video programmes, teleconferencing and interactive radio counseling sessions. Further, you will also benefit from contact sessions organised at the Study Centre. Besides these, the assignments submitted by you will be evaluated and you will receive feedback from the evaluators. Thus, these multiple modes will provide you diverse opportunities for interaction as well as facilitate smooth progress through the programme.

The information presented in this Programme Guide, will help you in organising and systematising your study in respect of various components and stages of the programme. This Programme Guide provides you important information about the programme as whole, viz., Its objectives, structure, mode of delivery, programme schedule, practical training, counselling sessions, assignments, evaluation etc. It is expected that you will preserve this Programme Guide till you complete the programme as it will help you clarify your doubts at different stages during the course of your academic journey through this programme.

With Best Wishes,

**Dr. Kiron Bansal**  
**Programme Coordinator**

## 2.0 ABOUT THE PROGRAMME

---

MA (Journalism & Mass Communication) programme provides a comprehensive exposure to various aspects related to Journalism and Mass Communication to equip you with necessary knowledge, skills, attitudes and competencies. The programme aims to develop skilled human resource in media and communication with a holistic appreciation of media as a tool for change and development. The programme will help you to build competencies and develop professional skills to avail employment

opportunities in various media sectors. It will provide opportunities to those who are working in media organisations without appropriate formal training to upgrade their knowledge and competencies.

## **2.1 Rationale for the Programme**

The Indian media have grown exponentially during the past few decades. The press is flourishing in terms of circulation and readership in a variety of languages. Radio has shown considerable resurgence and the expansion of television in the recent past is unrivalled. While Public Relations and advertising continue to thrive, the Internet and digital media have taken great strides facilitating easier and faster information dissemination. The spread of literacy and the advent of information technology have given greater thrust to the rapid growth of media.

These areas of journalism and mass communication have manifest as well as latent needs for trained manpower. To cater to these needs, there is a strong need to offer MA (Journalism & Mass Communication) through ODL mode with a blend of theory and practice. The programme aims to address the needs of trained manpower in the expanding media and fill the gaps in the areas of higher learning and research by reaching out to widely dispersed groups located in remote and rural areas.

IGNOU with its vast network of regional centres and study centres and the strength of developing exhaustive learning materials is uniquely placed to bridge this gap and provide practical training through collaborative arrangements with partner institutions.

## **2.2 Objectives**

After completing the programme, you will be able to acquire specific knowledge and skills enabling you to:

- report, edit, present and produce programmes for the print and broadcast media;
- work in electronic and digital media sectors;
- work in academic institutions and research organisations;
- work in development media sectors; and
- join the fields of advertising, public relations and corporate communication.

## **2.3 Target Groups**

The programme will be useful for those who intend to make a full time career in the print media, radio, television, new media, advertising, public relations, media research and development media sectors. It will be equally relevant for those who are already employed in any of these areas and would like to upgrade their skills and knowledge. The programme thus will be aimed at the following target learners:

- who want to work in print, digital and electronic media;
- who wish to join the fields of advertising and public relations;

- who are interested in the field of media research and academics;
- who wish to make a career in development media sectors;
- who are already working in media organisations and want to acquire practical as well as theoretical knowledge to upgrade their skills; and
- those interested in knowledge enrichment.

## **2.4 Eligibility**

The learners should have Bachelors Degree in any discipline. They should have access to computers, Internet and basic knowledge of MS Word (for creating word documents and communicating through the Internet for sending and receiving mails, browsing sites etc.).

## **2.5 Programme Duration**

The duration of the programme is two years and in view of the inherent flexibility of the system, it can be completed in five years.

## **2.6 Medium of Instruction**

The programme is initially offered in English medium. The material will be translated in Hindi and the programme will be later offered in Hindi medium also.

## **2.7 Programme Fee**

The programme fee is Rs 25,000/- payable in two installments of Rs 12,500 per year. (The University may revise the fee from time to time. Please check the advertisement or IGNOU website).

## **2.8 Programme Framework**

The MA (JMC) is modular in nature in which to earn 64 credits, you will have to complete 32 credits each year. There is a provision for lateral exit for those of you who do not wish to continue after one year and such students shall be awarded Post Graduate Diploma in Journalism & Mass Communication. Credit transfer will be allowed to those who have completed similar courses from other recognised institutions, as per University norms, for lateral entry.

## **2.9 Programme Delivery**

The programme will be delivered through multiple delivery sources to provide more choices to suit the varied learning needs. While printed Self Learning Materials (SLMs) will be the mainstay; multiple media components such as radio, television, teleconferencing, radio counseling, will constitute the learning package. Practical training will be conducted using various technological tools.

## **2.10 Credit System**

IGNOU follows the Credit System for its academic programmes. Each credit amounts to 30 hours of study comprising different learning activities, including assignments and listening/watching audios and videos. Thus a 4 credit course involves 120 hours of study. Knowing the number of credits

for each course helps you to get an idea about the academic effort required for successfully completing a course. The MA (JMC) programme consists of 64 credits (960 study hours), which have been equally distributed in sixteen courses.

## **4.0 INSTRUCTIONAL SYSTEM**

The methodology of instruction in this University is different from that in the conventional universities. The Open University System is more learner-oriented and the student is an active participant in the teaching-learning process.

The University follows a multiple-media approach for instruction. This approach comprises the following components:

- Self Instructional Printed Materials
- Audio and Video Materials
- Teleconferencing
- Gyan Darshan and Gyan Vani programmes
- Interactive Radio Counselling
- Counselling Sessions
- Study Centres

#### **4.1 Self Instructional Printed Material**

The printed materials are the main study materials for the programme. It is supplied to the students in the form of blocks. Each block consists of 4-5 units. You may think of unit as a lesson.

##### **How to Study the Units**

While going through the syllabi, you will note that each theory course of the programme has been divided into four blocks. Each block has a number of units (lessons), these units have a certain thematic unity.

Each unit begins with an introduction in which we tell you about the contents of the unit. We also outline a list of objectives, which we expect you to achieve after working through the unit. This is followed by the main body of the unit which is divided into various sections and sub-sections. We end each unit by summarising its contents of the whole unit to enable you to recall the main points.

Self-check exercises have been given under the caption Check Your Progress at a few places in each Unit which invariably ends with possible answers to the questions set in these exercises. Key words explain the terms used in a Unit. You may also consult a dictionary for the terms not covered in this section or requiring further explanation.

You should go through the Units and jot down important points as you read at the space provided in the margin. Broad margins in the block are provided there for you to write your notes on. This will help you keep track of and assimilate what you have been reading in a Unit, and answer the self-check exercises and the assignment questions, and also easily identify the items to be clarified.

#### **4.2 Audio-Video Material**

In addition to the print material, audio and video programmes are in general prepared for each course. The audio-video material is supplementary to print material and helps you to understand the subject better. Video programmes are telecast on Gyan Darshan Channel, the schedule of telecast is made available on the IGNOU website.

Audio-video materials are also made available at the Study Centres and you can watch these programmes during counselling sessions. Students desirous of buying the audio video CDs/DVDs can procure them from: Marketing Unit, Electronic Media Production Centre, Indira Gandhi National Open University, Maidan Garhi, New Delhi-110068.

### **4.3 Teleconferencing**

To reach out to students spread in different parts of the country, teleconferencing sessions are conducted via satellite using one-way video and two-way audio facility from Delhi. Teleconferencing is an effective means of interaction between the learners, experts and those concerned with the programme. It provides interesting opportunity to you to interact with the faculty members located at headquarters and other experts/ eminent scholars in the field. You can attend these sessions at the Regional Centres of IGNOU at scheduled time for drawing benefit of this facility. You can put your questions and queries to the experts through the toll-free telephone available at the Regional Centres.

### **4.4 Gyan Darshan and Gyan Vani**

Gyan Darshan, an exclusive educational channel of the country is providing educational programmes on a variety of subjects for 24 hours a day. #### 4.9 Counselling Sessions

In distance education, contact sessions between learners and their counsellors are an important activity. The purpose of such a contact is to answer some of your questions and clarify your doubts which may not be possible through any other means of communication. It is also intended to provide you an opportunity to meet your fellow students. There are experienced Academic Counsellors at the Study Centres to provide counselling and guidance to you in the courses that you have chosen for study. The counselling sessions for each of the courses will be held at suitable intervals throughout the academic session. **Attending counselling sessions is not compulsory. However, the sessions may be very useful in certain respects** such as to share your views on the subject with teachers and fellow participants, comprehend some of the complex ideas or difficult issues and get clarifications for many doubts which you would not otherwise try to raise.

Counselling sessions will be provided to you at the Study Centre assigned to you. You should note that the counselling sessions will be very different from the usual classroom teaching or lectures. Counsellors will not be delivering lectures or speeches. They will try to help you to overcome difficulties (academic as well as personal) which you face while studying for the MA (JMC) programme. In these sessions, you must look into the subject based difficulties and any other issue arising out of such difficulties. Besides, some of the audio and video cassettes that are available at that time will be played in the counselling sessions.

Before you go to attend the counselling sessions, please go through your study material and note down the points to be discussed. Unless you have gone through the units, there may not be much to discuss. Try to concentrate on the relevant and the most important issues. You may also establish personal contact with your fellow participants to get mutual help for academic purposes. Try to get the maximum possible guidance from your Counsellors.

**The detailed schedule of the counselling sessions will be intimated to you by the Coordinator of your Study Centre.**

#### **4.10 Study Centres**

To provide effective student support, we have set up Study Centres all over the country. You will be allotted one of these Study Centres taking into consideration your place of residence or work. However, each Study Centre can handle only a limited number of students and despite our best efforts, it may not always be possible to allot the Study Centre of your choice. The particulars regarding the Study Centre to which you are assigned will be communicated to you.

Each Study Centre has:

- A Coordinator who coordinates different activities at the centre;
- An Assistant Coordinator and other supporting staff appointed on a part time basis; and
- Counsellors to provide counselling and guidance to you in the course.

A Study Centre has following major functions:

**Tutorial/Counselling:** Tutorial/Counselling is an important aspect of Open University System. Face-to-face contact-cum counselling for courses will be provided at the Study Centres.

**Evaluation of Assignments:** The evaluation of your assignments will be done by the counsellors of your Study Centre. The evaluated assignments will be returned to you by the Coordinator of the Study Centre.

**Library:** Each Study Centre will have a library having relevant course materials, reference books suggested for supplementary reading.

**Information and Advice:** You will be given relevant information about the courses offered by the University.

**Audio-Video facilities:** The Centres will be provided with audio-video equipments to help you make use of the audio and video programmes prepared for different courses.

**Interaction with fellow-students:** In the Study Centres you will have an opportunity to interact with fellow students. This may lead to the formation of self help groups.

## **5.0 PRACTICAL TRAINING**

---

Practical training will be an integral part of MA (JMC) programme spread over both the years aimed at skill development. There are three practical courses and one project course in the programme. ## 6.0 EVALUATION

---

The evaluation consists of two aspects:

1. Continuous evaluation through assignments
2. Term-end examination

In the final result, all the assignments of a theory course carry 30% weightage while 70% weightage is given to term-end examination. The University follows grading system for continuous evaluation as well as term-end examination. It is done on a ten point scale using letter grades as given below:

Letter Grade	Numerical Grade	Percentage
O (Outstanding)	10	$\geq 85$
A+ (Excellent)	9	$\geq 75$ to $< 85$
A (Very Good)	8	$\geq 65$ to $< 75$
B+ (Good)	7	$\geq 55$ to $< 65$
B (Above average)	6	$\geq 50$ to $< 55$
C (Average)	5	$\geq 40$ to $< 50$
D (Pass)	4	$\geq 35$ to $< 40$
F (Fail)	0	$< 35$
Ab (Absent)	0	Absent

You are required to secure a minimum of 'D' grade in both continuous evaluation as well as the term-end examination of courses. Students who do not qualify in the term-end examination of a particular year are allowed to take up the term-end examinations in that same course within the maximum duration of the programme.

### 6.1 Assignments

Assignments constitute the continuous evaluation component of a course and working on the assignments is compulsory. Assignments for MA (JMC) are uploaded on the University website. There are a total of 6 Assignments for the theory courses. You will have to submit the assignments responses at the Study Centres. These will be evaluated by Academic Counsellors within a specified time to provide feedback to you.

You have to complete the assignments on time. You will not be allowed to appear for the term-end-examination for a course if you do not submit the specified assignments in time for that course. If you appear in term-end examination without submitting the assignments, then the result of term-end examination is liable to be cancelled.

The main purpose of assignments is to test your comprehension of the learning material you receive from us and also to help you get through the courses by providing feedback to you. The information given in the printed

course material should be sufficient for answering the assignments. Please do not worry about the non-availability of extra reading material for working on the assignments. However, if you have easy access to other books, you may make use of them. But the assignments are designed in such a way to help you concentrate mainly on the printed course material and make use of your personal experience.

For MA (JMC) programme of 64 credits there are a total of 12 Tutor Marked Assignments (TMAs) which are evaluated by the counsellors. Some of the assignments are knowledge based and some are of application based. Assignments which are knowledge based will require you to write essay type answers. For answering applied type of assignments, you should apply the knowledge you have gained through a Unit/Block/Course. **In either case, the answers should be your own. You must not reproduce text material verbatim or copy the information from other sources.** However, you can make use of the material and information you have at your disposal in an innovative way. You can pick up ideas from whatever sources you may have. However, plan and use them in your own words when you write the answers to the assignments.

The following norms have to be strictly practiced when you work on assignments:

- The answer should be precise, well documented and relevant to the question.
- Keep the word-limit of the answer in mind. A slight variation in length does not matter, but your answer should not be too short or too lengthy. Avoid discussing minor issues at great length. By setting a word-limit for some assignments, we mean to convey that a reasonably adequate response can be presented within the suggested word-limit.
- Assignments are uploaded on IGNOU website (<https://webservices.ignou.ac.in/assignments/>).
- The assignment responses should be complete in all respects. Before submission, you should ensure that you have answered all the questions in all assignments as incomplete answers bring poor grades.
- You must submit your assignments according to the schedule indicated in the assignments. The University/Coordinator of the Study Centre has the right to reject the assignments received after the due date. In case you get the assignments and study material late, the assignment responses should be submitted within one month of the date of the receipt of study material and assignment or within the due date given in the schedule whichever is later.
- For your own record, retain a copy of all the answers to assignments which you submit to the Coordinator of your Study Centre. If you

do not get back the evaluated assignments within a month of their submission, please try to get them from your Study Centre personally. This may help you to improve your answers for your future assignments.

- Maintain an account of all the corrected responses to assignments received by you after evaluation. This will help you to correspond with the University in case any problem arises in future.
- If you are unable to submit your assignments or are unable to score the minimum qualifying grade 'D', you have to collect/download, attempt and submit the assignments meant for the next batch of students. The request for new assignments in prescribed form may be addressed to: Registrar, Material Production & Distribution Division (MPDD), IGNOU, Maidan Garhi, New Delhi-110068.
- In case you find that the score indicated in the assignment sheet of your assignments has not been correctly reflected in your grade card, you are advised to contact the Coordinator of your Study Centre with a request to forward correct authenticated award list (through respective Regional Centre) to the Registrar, Student Evaluation Division, IGNOU.
- Once you get the pass grade in an assignment you cannot re-submit it for improvement of grade. Assignments are not subject to re-evaluation except for factual errors, if any. The discrepancy noticed by you in the evaluated assignments should be brought to the notice of the Coordinator of your Study Centre.
- Do not enclose or express doubts for clarification, if any, along with the assignments. Send requests for seeking clarifications in a separate cover to: Dy. Registrar, Student Evaluation Division, IGNOU, Maidan Garhi, New Delhi-100068.

When doing so, give your complete enrolment number, name, address, title of the course and the number of the unit or the assignment on the top of your letter.

### **Specific Instruction for Assignments**

- Write your Enrolment Number, Name, Full Address, Signature and Date on the top of right hand corner of the first page of your response sheet.
- Write the Programme Title, Course Code, Course Title, Assignment Code and Name of your Study Centre on the left hand of the first page of your response sheet. Course code and Assignment Code may be reproduced from the assignments.

The top of the first page of your response sheet for each assignment should thus look like the following:

PROGRAMME TITLE.....	ENROLMENT NO.....
PROGRAMME CODE .....	NAME.....
	ADDRESS.....
	.....
	.....
COURSE CODE.....	
COURSE TITLE.....	
ASSGINMENT CODE.....	SIGNATURE .....
STUDY CENTRE.....	DATE.....

- Read the assignments carefully and follow specific instructions, if any, given along with the assignments.
- Go through the units on which the assignment is based, note the points relating to the question, rearrange those points in a logical order and work out a rough outline to your answer. Give adequate attention to the introduction and the conclusion. In the introduction, you should give a brief interpretation of the question and how you propose to develop the answer. The conclusion should summarise your response to the question. Make sure that the answer is logical and coherent. The answer should be divided into appropriate paragraphs. The answer should be relevant to the question given in the assignment. Make sure you have attempted all the main points of the question. Once you are satisfied with your answer, write down the final version neatly and underline the points you wish to emphasize.
- Use only A- 4 size paper for your response and tie all the pages carefully. Avoid using thin paper. Allow a 4 cm margin on the left side and at least a few lines between each answer. This may facilitate the evaluator to write useful comments on the margin at appropriate places.
- Write the responses to assignments in your handwriting. Do not print or type the answers.
- Do not copy from the response sheet of other students. If copying is noticed, the assignment of such student will be rejected.
- Answer to each assignment should be written on a separate set of papers.
- Write the question number and the question before writing the answer.
- The completed assignment should be sent only to the Coordinator of the Study Centre allotted to you. **Do not** send it to the SED, IGNOU, New Delhi.

- After submitting the assignment at the Study Centre, get the acknowledgement from the Coordinator on the prescribed assignment remittance-cum-acknowledgement card.
- In case you have requested for a change of Study Centre, you should submit your assignments **only to the original Study Centre that has been allotted to you by the University.**
- The University sends study materials and assignments, wherever prescribed to the students by registered post and if a student does not receive the same for any reason whatsoever, the University shall not be held responsible for that.

## 6.2 Term-End Examination

As stated earlier, term-end examination is another component of the evaluation system. For MA (JMC) programme the Term-end examination (TEE) carries 70% weightage in the final result.

Term-end examinations are held twice in a year in June and December. **In the first year of enrolment, you are eligible to take the examination only after completion of one year of the programme.** Subsequently, you can appear in June or December Term End Examination. This is to ensure that the student completes the minimum duration of the programme, i.e., one year by the time s/he appears in the examination.

Dates and the venue of the examination will be intimated to you in time by the Registrar, Student Evaluation Division of the University.

To be eligible to appear at the term-end examination, you are required to fulfill the following conditions:

- All the required assignments have been submitted within the due dates.
- The fee has been fully paid.
- The examination form has been submitted in time (which is explained later).

**Examination date sheet** schedule which indicates the date and time of examination for each course is sent to all the Study Centres sufficiently in advance.

It is essential pre-requisite for you to submit the Examination Form for taking examination in any course. Copies of the examination form are available at Study Centres/Regional Centres/Student Evaluation Division at Headquarters. Only one form is to be submitted for all the courses in one term-end examination.

The filled-in examination form along with necessary fee is to be submitted at the respective Regional Centres. The last date for submission of examination

forms **without late fee** for **June TEE is 1<sup>st</sup> March to 31<sup>st</sup> March**. For **December TEE** the submission of examination form **without late fee is 1<sup>st</sup> September to 30<sup>th</sup> September**. Students may visit IGNOU website [www.ignou.ac.in](http://www.ignou.ac.in) for updated schedule (for submission of examination forms - without late fee and with late fee).

After receiving the examination form from you, the University will send an **Intimation Slip** to you before the commencement of examination. If you do not receive the intimation slip 10 days before the commencement of examination, you may download from the website or contact your Study Centre or Regional Centre or SED at the Headquarters. If your name is registered for examination in the list sent to the Study Centre, even if you have not received the intimation slip or have misplaced the intimation slip, you can take the examination by showing your Identity Card (Student card) to the Superintendent of the examination centre. If your name does not appear in the list of examinees, you will not be allowed to take examination without prior authorisation by the Registrar, SED, IGNOU, New Delhi.

Your Study Centre is normally your examination centre. Change of examination centre is permissible in exceptional cases for which you have to make a request to: Registrar, SED, IGNOU, New Delhi-110068, at least one month before the commencement of the examination. The request received at the Headquarters thereafter will not be entertained. It is your responsibility to check whether you are registered for a particular course and whether you are eligible to appear for that examination or not. If you neglect this and take the examination without being eligible for it, your result will be cancelled.

The Study Centre is the contact point for you. The University cannot send communication to all the students individually. All the important communication would be sent to the Coordinators of the Study Centres and Regional Directors and uploaded on University website.

The Coordinator will display a copy of such important circulars/notifications on the notice board of the Study Centre for the benefit of all the students. You are, therefore, advised to keep in touch with your Coordinator so that you get advance information about assignments, submission of examination forms, date sheet, list of students admitted to a particular examination, declaration of result etc.

While communicating with the University regarding examination, please clearly write the name of the programme, enrolment number and your complete address. In the absence of such details, your problem may not be attended to. The University normally may require 45 days to intimate the result of a particular term-end examination. Once you receive your results and if you find that you have passed in that course, you need not appear for that course again.

Students may appear for one or more theory course at a time. If you are unable to clear all the theory courses in the first attempt or do not wish to appear in all the subjects at a time, you can clear them in the subsequent examinations. You are free to appear for as many courses as you like at a time. **However, you must clear all the courses within five years of your admission.**

A no objection certificate is to be obtained from the Regional Centre where the learner wishes his/her transfer.
